

**ANZMAC International Visiting Scholar Program:
Clarification Document**

The purpose of this document is to clarify procedures and criteria for the ANZMAC Visiting Scholars Program. Only universities that are current institutional ANZMAC members may apply for this grant.

**ANZMAC International Visiting Scholar Program:
Application Form**

Please provide a brief document including the information specified below (not more than 5 pages in total):

- a) Name of ANZMAC institutional member university (applications may only be made by Universities that are current ANZMAC institutional members)
- b) Contact person at the host institution (name, qualifications, position, research, international experience, contact details)
- c) Agreement of Head of School/Dean to support the visit (please attach letter of support)
- d) Proposed international visitor (name, university and its status, position, qualifications, expertise, research background)
- e) Purpose of visit (prior links, research collaboration, benefits to host institution, side visits to other ANZMAC member institutions) and outcomes
- f) Estimated funding required (i.e. covering transport, accommodation). Use the below table as a guide and include estimates of both the funding requested from ANZMAC and funding to be provided by the host institution (if any).
